

## **CIRCULAR**

**MBS/ND/CIR/APR/2025-26/01 Date: 01 April 2025**

Dear Parents,

Greetings from Manava Bharati India International School!

With over 50 remarkable years of excellence in education, we take immense pride in the strong foundation we've built—one that nurtures young minds and shapes not just scholars, but compassionate, driven, and enlightened individuals. From humble beginnings to a thriving institution, our journey has been one of dedication, and determination. Every brick laid, every milestone achieved, and every life touched reflects our enduring spirit.

At our core, we believe that education is more than just acquiring knowledge—it's about igniting curiosity, nurturing talents, and inspiring exploration. With a dynamic and engaging curriculum, we strive to create an environment where students of all ages flourish intellectually, physically, and emotionally. From the boundless imagination of childhood to the bold aspirations of youth, we encourage every learner to embrace growth, discovery, and the limitless possibilities of their future.

Above all, we deeply believe that a child's education flourishes most when there is a strong, supportive partnership between the school and parents. It is this collaboration—built on trust, open communication, and shared goals—that truly creates an environment where children can thrive. We recognize that the role parents play in their child's education is invaluable, and together, as a team, we can provide the guidance, encouragement, and care necessary to help our students reach their fullest potential. It's this joint effort that makes all the difference in shaping well-rounded, confident individuals who are ready to take on the world.

In our ongoing effort to provide the best possible educational experience and maintain the high standards of excellence you expect from us, there will be a slight adjustment to the fees for the next academic year (FY) 2025-26. As you are already aware, our school has always ensured that its fee structure is in full compliance with the applicable laws. As a non-land clause institution, we are not required to seek prior approval from the Directorate of Education for setting or implementing our fee structure, other than obtaining the approval of the School's Managing Committee. However, in accordance with legal requirements, we are obligated to submit the Statement of Fees for each Academic Year to the Directorate of Education, a process we have faithfully followed in the past and continue to adhere to.

Taking into account a variety of important factors, including rising inflation rates, increased operational costs, and the need to ensure competitive and fair salaries for our dedicated staff, the School has made the decision to implement a modest fee increase of 9% for the fiscal year 2025-2026. We have carefully considered these necessary changes in order to continue providing the high-quality education, resources, and support that our students deserve. This increase is essential to ensure the continued growth and development of the school, while also enabling us to maintain the standards of excellence we have always strived to uphold.

Having said that, the School remains committed to offering support to any parent, to the extent possible and feasible, taking into account various factors. We encourage Parents to feel free to reach out to us for any clarifications or concerns. The School's ongoing effort is to ensure that Parents are not unduly burdened and that any financial impact from fee increases remains fair and manageable. As a law-abiding educational institution, we strictly adhere to all relevant guidelines, rules, and regulations, which are regularly updated to reflect any changes. Please be assured that the welfare of our students and their Parents is at the heart of everything we do, and we are dedicated to supporting you every step of the way.

We deeply appreciate the unstinting support of our parent community at all times. We remain dedicated to continuous growth and improvement, offering excellent facilities, motivated and engaged teachers, and a wide range of enjoyable and engaging co-scholastic activities.

Warm Regards,

PRINCIPAL
